AI usage and telephony are charged separately.

HOW WE WORK

1

50% Advance

Work begins once the 50% advance is received and scope is confirmed.

2

Build & Review

We design and build to the agreed scope, with revision limits defined in writing.

3

Final 50% & Handover

The remaining 50% is paid before final handover and deployment.

GOOD TO KNOW

- Scope, milestones and revision limits are written down before work begins.
- AI telephony, call minutes and other third-party services are charged separately.
- Advanced AI and CRM integrations beyond the agreed scope are quoted separately.
- Prices shown are introductory launch prices; larger scopes are priced accordingly.
